

Association of Transpersonal and Emotional Release Counsellors Inc.

TERC Vision Statement

Transpersonal and Emotional Release Counselling (TERC) supports the healing and awakening of individuals to their true potential for life thus bringing about active, conscious, community that participates in the evolution of the planet. TERC enables release of the pent up, hurting, emotional energy of individuals, thereby making creative and spiritual energy available for a more alive and conscious participation in the recreation of our personal, communal and planetary living.
