

## **Social Workers, Psychologists & Counsellors**

**Do you work in a regional,  
rural or remote area with a population  
of 50,000 or less?**

We are conducting a research project looking at how ethical boundaries are maintained in rural and remote practice. We would like to hear from you about your practice experiences.

*It only takes 20 minutes, and is confidential.*

*The link to the online survey can be found at;*
