

Dear Everyone,

We're very excited to try out our new live broadcast capability over the internet. This is a **Free** service, you don't have to sign up or do anything except click the link below and enjoy the talk!

<http://www.bigmind.org/zen-eye/big-mind-tv>

In addition there will be a chat room attached to the video so you can make comments in real time, although I won't be able to interrupt Roshi to ask him questions during the talk this time. We're working on a way to do that also, so stay tuned for new features.

When: Sunday June 14 from 10:30 am to 11:30 am US Mountain Daylight time. Roshi always starts promptly so don't be late!

Here's the time it starts if you are in...
