

# 35th Birthday Celebration

The ASCH is proud to be bringing to you a workshop on

Post Traumatic Stress Disorders (PTSD)

Celebrating a growing community, supporting and helping therapists make a difference

In 2010 all workshops for members are now **reduced** to **\$50.00** that's a further saving of  
\$25.00

and non-members pay just \$60.00, again a huge saving!

Let me introduce to you some of the presentations on the day:

"Trauma, its role in Therapy and future direction especially with children".  
Judith has been treating trauma for over 40 years and will look at the history and future  
of treatments.

**Judith Reader**, Mental Health Nurse, Clinical Psychotherapist & Hypnotherapist

**Terry Tung-Yep** author will discuss from his book 'What happens at a mental level after  
a trauma.'

**Leon Cowen** will present a case history of a client who has been hospitalised for  
'psychotic like' symptoms which are part of Complex Trauma. This presentation will  
outline the approach and methodology undertaken to help her resolve the traumatic  
incidents.

The role of Occupational Rehabilitation with a psychological injury such as PTSD

**Chrisoula Theocharous**, BA Psych, Rehabilitation Consult & Hypnotherapist

Dealing with patient complaints - What unregistered and registered health providers  
need to know

**Katja Beitat**, Health Care Complaints Commission

So come and join in, grab your OPD points (members only), and learn something new.

**Workshop on PTSD is on**
